Hi Jeremy,

Thank you for this....I will run your question by Keith. Both, Keith and Curtis are at a Legis session right now. I will get back to you as soon as I can.

Thank you,

Subject: PGV Desk Statement

Hi Beryl –

As was discussed earlier, attached please find a copy of the desk statement that will help to provide some context for the FOV and letter. We may have more to share as the FOV release gets closer.

A question for you – I know that we all want Enrique Manzanilla and Gary Gill to have a chance to speak again before we roll this out. Should Enrique reach out to Gary or do you all want to close some loops with Gary before they speak? If the latter then will you try to arrange the call between Gary & Enrique as soon after as possible?

Mahalo,
Jeremy
